

General Maintenance Services

All general maintenance calls are handled through the Service Center. The Service Center can be reached at 248.358.0780. The Service Center can assist you with:

- Key and lock requests
- Light bulb replacement
- Plumbing repairs
- Electrical problems and repairs
- Minor repair to doors, walls and carpet
- Hot and cold temperature calls
- Picture hanging
- Minor furniture repair
- Recycling program information
- Use of carts and dollies
- Any kind of utility problem (i.e., electric, water, gas)
- Other miscellaneous requests

For your convenience Southfield Town Center Management has an on-line work order program which allows you to enter in your own service requests. Please email SouthfieldTC@transwestern.com to request a log-in for this service.
