

NEWS AND ANNOUNCEMENTS

Visitor Parking—All Visitor Parking in both the surface lots and the Parking Structures is strictly enforced. Violators will receive a warning, then are subject to towing at the owner's expense.

Reserved Parking—All Reserved Parking spaces in the Parking Structure are clearly marked and identified with a space number. Violators will be ticketed and are subject to towing. Should anyone be parked in your reserved space, please call Security Base Operations at 248-358-0908.

Deliveries—Please be reminded that all deliveries should come through the loading docks, not the front entrances of any building.
